

# Math Homework: 2nd Quarter

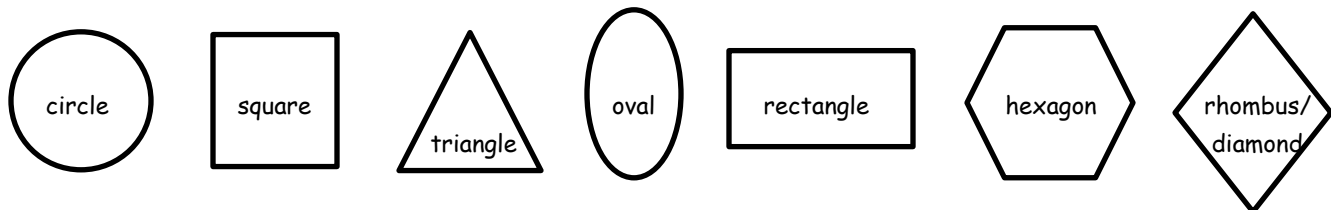

(Please go over these things every night.)

## **Identifies numerals and Counts Sets for the number:**

(First point to and say the numbers below. Then use pennies, or another object you have several of, to count out sets for each number. Cut a piece of paper into 6 pieces and write each of the numbers below. Then count out the sets on the number.)

4      2      0      3      5      1

## **Identifies Shapes:**

## **Identifies colors:**

red, blue, yellow, green, orange, purple, black, white, brown, pink, gray

## **Position words:**

Talk about the following positions: in/out, front/back, on/off, up/down, beside/next to, above/below, in front of/behind, between/apart

## **Counts to 30:**

Count to 30 out loud. Then count objects up to 10.

# Reading Review Homework

Go over each night

\*Name and give letter sound:

T M A I P S C

F H O N

h a s f p i m t

c o n
